**Join the Buyblitz
Online Mega-Mall,
it's a big retail
idea with a
very small price.**

For just \$1 dollar a day, your store can have its own, highly functional website in the online Mega-Mall. Your customers will be able to connect and interact with your store on so many, profitable levels.

The online Mega-Mall, created by the Buyblitz Corporation of Australia, is wildly popular down under, and is now available in the United States. The Mega-Mall is the first of its kind in the world and its popularity is soaring coast-to-coast.

Retailers unite!

There's power in numbers. Join us and you will be combining your store with many other food and liquor retailers. The strength of many will be focused into one advanced, state-of the art website that will be drawing increasingly larger numbers of shoppers. This retail strategy is called gaining a Greater Collective Identity (GCI). Buyblitz.com is totally dedicated to the food & liquor industries. In the Mega-Mall, you will be together in a high traffic, high sales environment that offers exceptional sales potential.

purchases can then be delivered to the customer or held for pickup. Restaurant and Bar owners will appreciate the increased traffic. Their customers are able to review the menu and the day's specials, and then make a reservation online. At any time, you can make easy changes to your online menus, prices or special offers within minutes—here's greater flexibility over broadcast, print or newspaper retail advertising:

Retailers of all shapes and sizes.

Large, online retail stores, just like their real world counterparts, will attract large numbers of customers to their Mega-Mall storefronts. At Buyblitz.com, the diversity and variety of all retailers, both big and small, will serve to generate increasingly higher levels of new customer traffic throughout the mall. These higher levels of customer traffic will tend

to lead to increased sales, and as a result will benefit all of the retailers within the mall. Large retailers as well as smaller retailers, will have the opportunity to connect with their customers like never before!

Where businesses and consumers connect.

Today, savvy retailers seek a way for their customers to experience deeper connections with their store or restaurant. Fulfilling online shopping experiences builds stronger relationships between the establishment and customer and they become more loyal, more habitual in their shopping habits, and therefore more profitable. Buyblitz.com means convenient, efficient, one-stop food shopping for the consumer and a world of new customers for you.

More customers can check your menu, specials, location and even make reservations online.

Each state has its own Mega-Mall homepage. Use your state's homepage to run highly visible and affordable display ads that will link local customers directly to your storefront website.
